Learning Outcomes

- ✔ Understand cases from a variety of perspectives
- ✔ Consider a range of techniques and strategies that support effective case work
- ✔ Awareness of approaches in planning and families assessment to affect best outcomes for children

This practical workshop will provide an opportunity to explore 'live' cases with Richard, who will offer guidance and practical tasks to support your work and approaches. All those registered for this workshop will be invited to send in anonymous real case studies involving complex issues and these will be incorporated into the session.

This small interactive workshop will provide attendees with new perspectives, techniques, shared ideas and a series of strategies to immediately put into practice.

This training is aimed specifically at social workers and practitioners undertaking and supporting direct complex case work.
