## Therapeutic Life Story Work Supervisor Contact List

---

### Supervision

All students will be required to identify a supervisor for the duration of the course.

### Who can be a supervisor?

- A line manager with the supervisee's agency/organisation
- An external practitioner in the supervisee's field of work
- TLWi alumni (including teaching staff)

Below are the contact details of TLWi alumni who offer supervision on request. Some offer 1:1 supervision for individuals, and others also offer group supervision for 3-4 persons along with 1:1. Please note all Supervisors offer online sessions – their location area is not restricted to those wanting TLSW Supervision.

Please contact them directly for availability and cost.
