"Readers will be dazzled with the scope and depth of the tools available to help clients reclaim and reshape their rightful stories. Your practice will never be the same!"

**Kendra Morris Jacobson, MA, Director of
Oregon Post Adoption Resource Center**

"An incredibly rich resource... with a strong emphasis on playfulness in work with traumatised children."

Katie Wrench, author of Skills and Knowledge for Life Story Work

"A beautiful, entirely practical book. An essential addition for anyone working with children and young people"

Dr Lisa Cherry, Author, Researcher & Trainer
